## Mission Statement

*The American Cancer Society's mission is to save lives, celebrate lives, and lead the fight for a world without cancer.*

# American Cancer Society Programs and Services

The American Cancer Society (ACS) has programs and services to help people with cancer and their loved ones understand cancer, manage their lives through treatment and recovery, and find the emotional support they need. And best of all our help is FREE. The ACS provides support for all cancer types; breast, colon and rectal, lung, prostate, skin and all general cancers.

The American Cancer Society also offers many needed services to the cancer patient. We offer wigs for those women and men who may be experiencing hair loss due to cancer treatment. We also provide bras and prosthesis to those women who have had breast surgery. Ensure (nutritional supplement) is also available to those patients who may be experiencing digestive problems. The American Cancer Society also offers transportation reimbursement, out-of-town lodging, and a pain medication assistance program to cancer patients. It is very important that the patient register with the American Cancer Society as soon as they are told of their diagnosis, as we do not make retroactive payments.

The American Cancer Society also offers wonderful programs for the cancer patient such as Reach to Recovery, Look Good Feel Better. We also offer many educational programs that provide early detection treatment

methods and health education information such as our Triple Touch program that provides breast health information, and Work Well Cancer Free, a prevention-oriented wellness program.

Please contact your local American Cancer Society office for more information. Call (850) 297-0588 to register as a patient in the Big Bend area (Wakulla, Leon, Jefferson, Gadsden, Madison, Taylor and other Big Bend Counties).

## Program Descriptions:

### HOPE LODGE

No cost lodging for patients and families during out-of-town treatment

### MAMMOGRAPHY PROJECT

Provides screening mammograms for indigent women

### REACH TO RECOVERY

One-to-one visitation program for breast cancer patients

### ROAD TO RECOVERY

Volunteers drive patients to and from cancer treatment

### SPEAKER'S BUREAU

Trained volunteers provide information about the American Cancer Society's services, programs, and mission

# The Stephen C. Smith Memorial Regatta

Spring is here and so is the 47th Memorial Regatta. This is the largest and longest running regatta in the Big Bend area. Held at Shell Point Beach, the Regatta is a benefit for the American Cancer Society in memory of Stephen Smith. Stephen was a local sailor who died from a rare form of leukemia at the age of 29. The event is presented by the 47th Stephen C. Smith Memorial Regatta Committee comprised of individuals from the Apalachee Bay Yacht Club, Shell Point Sailboard Club, and the American Cancer Society, with the help of numerous businesses and individuals.

The 47th Annual Stephen C. Smith Memorial Regatta (SCSMR) is virtually underway! Shirts are **ON SALE NOW** and have two hidden references for you to find related to the current pandemic! Shirt sales end on June 6th. You can also get a glimpse of some of the items that will be available on the on-line auction by clicking Auction at the top of the page at [www.smithregatta.com](http://www.smithregatta.com). Come back often because more items are being added as you read this! If you have any item or service you wish to donate for auction, please contact Bob Graves.

The online auction will run from 12:01 am, Sunday, June 14th to 8:00 pm on Tuesday, June 16th. Distribution of won items and purchased shirts will be the afternoon of Saturday, June 20th, at the Apalachee Bay Volunteer Fire Department in Shell Point, from 2:00-5:00 pm.

This year's sailing portion of the event has been cancelled due to the uncertainty of the times. How-

ever, as many of you know, the main mission of the SCSMR Foundation is to raise money for the American Cancer Society (ACS) and this year is no different. With so much going on this year it is easy to forget about the insidiousness of cancer. Let us be generous in our future bids and in our donations!

In addition to many patient services provided to children and adults, the American Cancer Society funds research and public education, which is vital in the fight against this silent killer. The American Cancer Society receives no government funding and relies exclusively on the generous support of private donations. Since its inception, the Stephen C. Smith Memorial Regatta has been able to contribute almost \$500,000, the majority of which has stayed in the Leon, Wakulla and other Big Bend Counties, providing educational programs and patient services to area residents.

## Schedule of Events

### Online Auction and Donations

Online Auction begins Sunday at 12:01 am, June 14th and ends at 8:00 pm on Tuesday, June 16th. You can review items and sign-up for the auction at:

[www.SmithRegatta.com](http://www.SmithRegatta.com)

Auction item pickup is scheduled for Saturday, June 20th, at Shell Point Beach between 2:00-5:00 pm at Apalachee Bay Volunteer Fire Department in Shell Point. Bring your auction receipt with you!

### Smith T-Shirts

Commemorative t-shirts are available now for \$20.

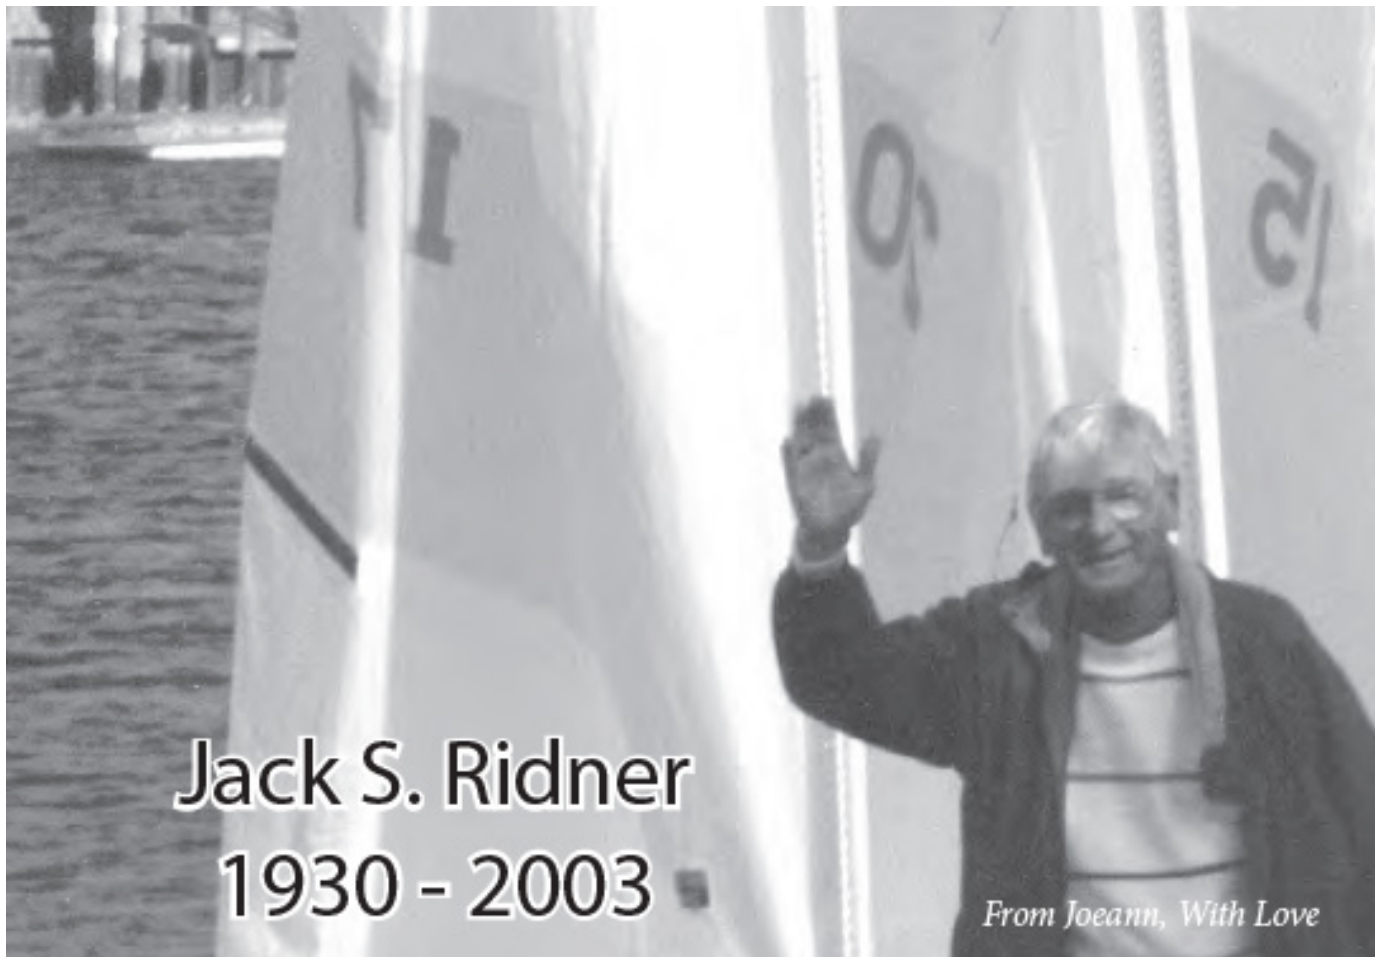

Order t-shirts at

[www.SmithRegatta.com](http://www.SmithRegatta.com)

T-shirt purchases end Saturday, June 6th. You can pickup purchased t-shirts on Saturday, June 20th between 2:00-5:00 pm at Apalachee Bay Volunteer Fire Department in Shell Point. Bring your receipt!

In addition to participating in the auction and/or purchasing a t-shirt, you can make a separate donation to the Stephen C. Smith Memorial Regatta Foundation.

# Biography of Stephen C. Smith

*The following is an excerpt from an article that appeared in the Hobie Cat Hot Line, Volume 3, Number 3(1974) shortly after the death of Stephen C. Smith.*

“Most of us rarely get the opportunity to know the extent of human effort contributed by a person who is committed to getting something done well, and living life to the fullest. Such commitment, when it is accompanied by creativity is an extraordinary experience - one that provides profound inspiration. Knowing Stephen C. Smith was such an experience.

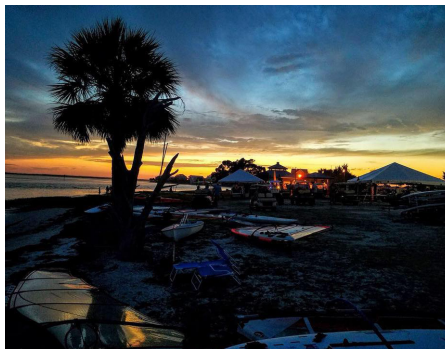

Stephen C. Smith died Saturday evening, February 16, 1974, of pneumonia, at the age of 29. We had known for two years that he had a rare form of leukemia and was undergoing treatment. We certainly were aware of the possibility of eventually losing him. But Steve’s commitment made that possibility seem less real, for he was at work every day until two days before his death. As in earlier months, when he went for weeks with a fever over 100, he continued as if nothing were wrong. Somehow he remained the same creative and witty Steve we had always known.

Steve was the most recent Art Director of the Intermediate Science Curriculum Study of the Florida State University and had been on the staff for more than eight years. His creative and effective art work was a major contributing factor in the success of this project.

Participation in sailing activities, and a lot of hard work for the Yacht

Club and Hobie Fleet 43 won Steve the coveted Apalachee Bay Yacht Club Sportsmanship Trophy last year. His good spirits lifted ours, and the warmth of his personality encouraged us all. We loved the work he did and the man himself.

The ABYC and Hobie Fleet 43 mourn the loss of this unique person. The Yacht Club’s annual regatta has been renamed the Stephen C. Smith Memorial Regatta. We are grateful for the experience of working and playing closely with Steve, of knowing him as a friend, and of being inspired by his commitment, his creativity, and the simple fact that he was Steve Smith.”

The Shell Point Sailboard Club (SPSC) was founded in 1987 to serve the increasing number of windsurfers in the North Florida and Southwest Georgia regions. The club answered the need for a comprehensive, locally based organization dedicated to actively promoting the sport of boardsailing in all forms. In addition to our principal sailing venue of Shell Point Beach in southern Wakulla County, club members launch their craft at Alligator Point, Cape San Blas, St. George Island, and at many area lakes.

Specific objectives of the Shell Point Sailboard Club include: staging and encouraging attendance at regattas throughout the year; sponsoring instructional sessions, sailing clinics, and safety programs to aid both newcomers and veteran sailors; holding seminars on

new developments in windsurfing equipment and techniques; organizing swap meets and special events; and fostering good working relationships with the U.S. Coast Guard Auxiliary, local property owners and other yachting organizations.

Each year, the SPSC hosts or co-hosts two major regional sailing regattas at Shell Point, including the Stephen C. Smith Memorial Regatta (spring) and the Endless Summer Sailboard Classic (autumn), as well as numerous other smaller events geared toward the local membership. The club has several highly skilled sailors who successfully compete at the national level in US Windsurfing recognized regional sailing circuits, such as the IS Windsurfing Southeast Series. We have also counted among our members the Puerto Rican women's windsurfing representative to the 1992 Summer Olympics, and three members of the US National Olympic Sailing Team.

We also assist local organizations in various efforts. And, during the

warmer months, the club provides free windsurfing lessons for all prospective sailors at Shell Point Beach through the Wakulla County Parks and Recreation Department.

The SPSC has grown rapidly from about one dozen founding sailors to about 70 active members. Club meetings are held the second Tuesday of each month at 7:30 pm at Momo's Pizza on Market Street in Tallahassee. We invite anyone interested in the sport of windsurfing to attend a club meeting or join us any weekend on the beach at Shell Point.

Please contact SPSC Commodore Kristin Korinko at (850) 294-3493 or [counkris@aol.com](mailto:counkris@aol.com), for further details on club activities, or visit the SPSC website at [www.20knotsnob.com](http://www.20knotsnob.com).

Founded in 1969, the Apalachee Bay Yacht Club (ABYC) is comprised of a group of people who share an interest in sailing, powerboats, cruising, sailboat racing, and the exchange of information to develop and improve sailing and boating skills, as well as the enjoyment of being on the water. From this comes camaraderie, where the ideas and traditions of sailing and boating are discussed, practiced, and followed.

There are approximately one hundred memberships, usually consisting of a couple or family, from Shell Point and throughout the Tallahassee and southern Georgia areas.

ABYC owns a clubhouse with a swimming pool and docks adjacent to the Marsh Harbour Marina at Shell Point. These facilities are the focus of social gatherings, programs, monthly meetings, dinners, regattas, and more. A bar for members and their guests is open during club functions. Club amenities include an ice machine, a barbecue grill, and a number of club owned boats for members' use.

ABYC is part of the Gulf Yachting Association. accordingly, ABYC members enjoy reciprocal privileges at other clubs from St. Petersburg, FL to Houston, TX.

Locally, ABYC conducts organized cruises to the St. Marks River, Dog Island and other destinations near and far. Throughout the year the club also sponsors a variety of sailing races, including regattas, both spring and fall "big boat" race series, and year-round dinghy racing.

ABYC monthly meetings offer programs for those interested in water activities. Topics are varied and range from the weather, boat maintenance, racing, marine ecology, maritime history, and exotic travel.

Social functions are also monthly throughout the year. These may include a variety of potluck dinners, cocktail parties and themed dinners, sometimes professionally catered and featuring live music. Traditional annual events include the Commodore's Ball, Vice-Commodore's Regatta, and the Awards Banquet.

### WHEN YOU JOIN

The privileges associated with membership are:

- Use of the ABYC Clubhouse pool and dock facilities by you and your guests;
- Participating in your choice of ABYC sponsored regattas, cruises, and formal and informal social events;
- Attending programs through which you gain more proficiency and enjoyment with sailing and other activities at the coast;
- Charging beverages at the state licensed ABYC bar;
- Enjoying privileges extended by other yacht clubs when visiting their facilities; and
- Camaraderie and the helpful exchange of information with like-minded, friendly people.

### WHAT IT COSTS

The cost of belonging to ABYC is small relative to the overall investment one typically associates with purchasing and owning a boat. ABYC is owned by its members and Regular Members are required to purchase an "Equity Certificate" that represents their share of ownership of the club. The cost of the certificate is based on the Wakulla County appraised value of the club's property. Club privileges are extended to the member's immediate family including children still residing at home.

Boat ownership is not a requirement for membership, although many members own a boat of some type ranging from the small sailing dinghies to ocean-cruising yachts. ABYC provides members various opportunities to participate in boating activities.

### FIND OUT MORE

To obtain additional information about ABYC or learn about upcoming events, please contact any board member, or go to the web **[www.ABYCOnline.org](http://www.ABYCOnline.org)**, where you will find ABYC's newsletter, "The Mark".

The Wakulla County Parks & Facilities Management Department is committed to providing our community with a variety of leisure activities to escape from the everyday life. Our parks, piers, and boat ramps are prime examples of a safe fun filled environment that provides a place to enjoy Wakulla great outdoors. The Parks Division lends a hand in our community when it comes to showing the faces of tomorrow the concept of enjoying life to the fullest. As our community continues to grow the Parks Division will continue to strive to provide the best activities and facilities for our community.
